

**PUBLIC WORKS DIRECTOR
CITY OF CLAYTON**

Prestigious suburban/urban community seeks a dynamic individual to serve as Public Works Director/City Engineer. The City of Clayton is the seat of St. Louis County government and home to the headquarters of five Fortune 500 companies, and four Forbes 500 private companies; large CBD, three widely-recognized institutions of higher learning, beautiful and historic neighborhoods and an award-winning public school district. Population 15,939; daytime population grows to 46,000. Salary \$80,598 - \$114,127, DOQ, plus excellent benefits. The Department has a \$4.8M operating budget, \$5.5M CIP and 26 FT employees. Director plans, organizes, directs and coordinates all municipal engineering and Public Works activities, including building, fleet and street maintenance. Determines departmental policies, planning and implementing long term Capital Improvement Projects. Prepares department budget. Supervises Public Works staff. Directly administers the refuse and recycling contract. Assists with the preparation of the City's annual Five Year Capital and Revolving Public Improvement Program budgets. Attends public meetings and works with citizen groups. Must possess a bachelor's in civil engineering and a minimum four years experience at the municipal level, inclusive of supervisory responsibilities. Registered PE in Missouri preferred but not required.
