

CHIEF FINANCIAL OFFICER GUADALUPE VALLEY ELECTRIC COOPERATIVE (GVEC)

GVEC is looking for a committed leader to become a member of their strategic team. The ideal candidate will be an experienced achievement-oriented CFO who is energetic, has experience improving financial management, and is adept at working with rating agencies and the Public Utility Commission.

The CFO will be a motivated, experienced and proactive individual who will not just focus on the day-to-day, but who will look out into the future and assist GVEC in planning for tomorrow to enhance the services to the customers.

The CFO will recognize that the role of the department goes beyond keeping books and ensuring proper procedures are followed, but will also provide advice and guidance to assist other elements of the organization. In other words, the individual will see the department as a service organization. The General Manager encourages a team approach to problem solving and expects a very strong team oriented work ethic.

Other characteristics of the preferred candidate include:

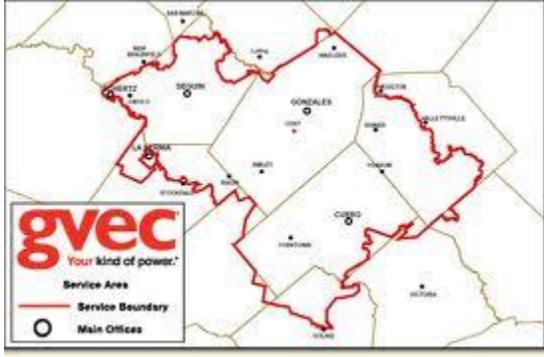

- Demonstrated leadership by example
- Demonstrated strategic visioning
- Experience maximizing finances of the organization
- Wholesale power experience
- Appreciative of a rural lifestyle
- Experience in improving financial forecasting and modeling of rates
- Experience monitoring markets and managing debt
- Demonstrate a commitment to the Mission, Vision and Values of GVEC.
- Is open, honest and is recognized as a team player

The successful candidate must possess a Bachelor's degree in Accounting, Finance or related field and ten (10) years management experience in finance and accounting.

The Chief Financial Officer works under the general direction of the General Manager oversees Accounting, Finance, Warehouse and Purchasing

GVEC is a dynamic organization that is celebrating 75 years of service and is a future focused Cooperative providing the core services of Energy and Delivery, as well as subsidiary companies of GVEC.net, GVEC Home and the GVEC Development Corporation and sets objectives based upon the needs of the membership and local communities. The 2012 operating revenue of \$185,605,350 is supported by the A+ rating from S&P and the AA- rating from Fitch.

GVEC is located in rural South Southeastern Texas amongst the booming Eagle Ford Shale oil expansion and a vast rural agricultural area. Two main offices are located in Seguin and Gonzales, Texas. GVEC has 71,164 meters spread over 3,500 square miles serving the communities of Schertz, Seguin, La Vernia, Gonzales, and Cuero and the rural areas of Guadalupe (pop. 131,533), Gonzales (pop. 18,807) and Dewitt (pop. 20,097) counties and parts of Hays, Comal, Fayette, Caldwell, Jackson, Goliad, Karnes, Wilson, Victoria and Lavaca counties.
