

Assistant Director of Public Works - Utilities Hallandale Beach, Florida

Home to over 38,600 residents, the City of Hallandale Beach comprises 4.22 square miles and is conveniently located between Fort Lauderdale and Miami, next to Aventura with access to the Fort Lauderdale/Hollywood and Miami International airports, Port Everglades, Port of Miami, and I-95. The City of Hallandale Beach is a beautiful oceanfront community located in the tropical paradise of South Florida.

The Utilities Division of the Department of Public Works includes water, sewer and stormwater operations. Under general administrative direction, the Assistant Director of Public Works plans, directs, manages and oversees the functions, programs and operations of the City's Utilities Division. He/she will be responsible for coordinating the assigned activities with other departments and outside agencies and provide highly responsible and complex administrative support to the Department Director, Deputy City Manager and City Manager.

The successful candidate will have a Bachelor's degree from an accredited college or university in civil or general engineering, Public Administration or other related field and six years of increasingly responsible utilities experience including three years of management responsibility. A Master's degree is highly desirable. He/she will have Certification from FEMA, NIMS IS-700, IS-800, IS-100, IS-200, IS-300, IS-400 or the ability to receive certification within one (1) year of employment. It is also desirable that he/she have a valid Florida Certificate of Registration as a Professional Engineer.

The salary range for the Assistant Director of Public Works - Utilities is **\$91,478 - \$114,316** with an excellent fringe benefit package; starting salary is not expected to exceed \$106,080.

Qualified candidates should send a letter of interest and resume by June 12, 2015, electronically to: WDHiggin@mercergroupinc.com
