City of Bellevue, Washington

Fire Chief

Are you a visionary leader that is committed to continuous improvement, innovation and further developing a high performing fire department? Do you have a passion for public service? The City of Bellevue is looking for Fire Chief to join our management team and lead the city's award winning internationally certified Fire Department. Come and be part of building a world class fire department in one of the most innovative and forward thinking cities in the country.

The City of Bellevue, with a diverse population of more than 139,000 and more than 148,000 jobs, is known as a community with beautiful natural areas, a vibrant downtown and strong economy, some of the nation's best schools, and healthy neighborhoods. The City's Mission is to "provide exceptional customer service, uphold the public interest and advance the Community Vision". In Bellevue, this is achieved by a shared vision toward being a collaborative, innovative and future focused organization that is committed to excellence.

The City of Bellevue is seeking a fire executive leader with at least ten (10) or more years of progressively, responsible management level experience in an innovation driven fire department at the battalion chief rank or higher. Preferred candidates will possess the following:

1. Executive Fire Officer Certification from the National Fire Academy,
2. Bachelor's degree from an accredited college or university in Public Administration, Business, Fire Sciences or Fire Administration with
3. Master's degree being highly desirable.

The salary range for this position is \$ 118,820-\$188,781 annually, depending on qualifications and experience. The City of Bellevue offers a number of retirement options and extends a full range of leave and benefits to employees.

A brochure, job description benefit summary and other information on the City are available at:
